	Ages 13 and up 18 Holes Boys Division and Girls Division

- Any Junior Regular or Associate Golf Member can play in the Club Championship

CLCC Junior League

CLCC Junior League is a new junior program at Crystal Lake Country Club. Inspired by PGA Junior League and the parents of CLCC, the junior program is now a drop off program (no parent participation needed). There will be 4 CLCC Junior League teams. The teams will be assigned by age, with each team having various ages so the older juniors will act as mentors to the younger juniors. Each team will have a team captain from our golf staff that will coach and lead their teams. Each team will have team uniforms including a hat and shirt. The teams will play 6-hole matches against the other teams in a two person scramble format where points will be available every hole. The 2 person team will get 1 point for winning the hole ½ point for tie the hole and 0 point for losing the hole. Based on the team's cumulative points for the first 4 matches, the last week we will pair the 1st and 2nd place teams together and the 3rd and 4th teams together and the team with the most points after the 5 weeks is the winner.

The cost of this program is \$130 per junior and includes a team shirt and hat.
